Disposal of the Federal land described above was not analyzed in the Judith-Valley-Phillips and West HiLine Resource Management Plans (RMP) and their associated Environmental Impact Statements. Disposal of the Federal land requires that the specific tracts be identified in the land use plan with the criteria to be met for exchange and discussion of how the criteria have been satisfied. This will be part of the plan amendment and an Environmental Assessment will be prepared to analyze the effects of disposal.

DATES: Comments and recommendations on this notice to amend the Judith-Valley-Phillips RMP and the West HiLine RMP should be received on or before January 10, 2000.

ADDRESSES: Comments should be sent to David L. Mari, Field Manager, Lewistown Field Office, P.O. Box 1160, Lewistown, MT 59457-1160.

FOR FURTHER INFORMATION CONTACT: Loretta Park, Realty Specialist, 406/538-1910.

Dated: November 18, 1999.

David L. Mari,

Field Manager.

BILLING CODE 4310-DN-P

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-420]

Certain Beer Products; Notice of a Commission Determination not to Review an Initial Determination Terminating the Investigation on the Basis of a Consent Order; Issuance of Consent Order

AGENCY: International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade

Commission has determined not to review the presiding administrative law judge's ("ALJ's") initial determination ("ID") granting the joint motion of complainant Anheuser-Busch, Inc. ("Anheuser-Busch") and the sole remaining respondent, Budejovicky Budvar, N.P. ("Budvar"), to terminate the above-captioned investigation on the basis of a consent order.

FOR FURTHER INFORMATION CONTACT:

Andrea C. Casson, Esq., Office of the General Counsel, U.S. International Trade Commission, telephone (202) 205-3105. Copies of the ALJ's ID and all other nonconfidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone 202-205-2000. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on 202-205-1810. General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>).

SUPPLEMENTARY INFORMATION: On May 27, 1999, the Commission instituted this investigation based on a complaint filed by Anheuser-Busch, alleging a violation of section 337 of the Tariff Act of 1930 in the importation and sale of certain beer products by reason of infringement of U.S. Trademark Registration Nos. 922,481, 952,277, or 666,637. 64 FR 30058. Two firms were named as respondents: Argen-Wine Imports, Ltd. of Belcamp, Maryland and Budvar of the Czech Republic.

On July 26, 1999, the ALJ issued an ID terminating the investigation as to Argen on the basis of a consent order stipulation and proposed consent order. The Commission did not review that ID and it became the determination of the Commission on August 26, 1999.

On October 21, 1999, complainant Anheuser-Busch and Budvar, the only remaining respondent, filed a joint motion to terminate the investigation on the basis of a consent order stipulation and proposed consent order. The Commission investigative attorney supported the motion.

On November 3, 1999, the ALJ issued an ID (Order No. 14) terminating the investigation based on the joint stipulation and proposed consent order. No party petitioned for review of the ID pursuant to 19 CFR 210.43(a), and the Commission found no basis for ordering a review on its own initiative pursuant to 19 CFR 210.44. The ID thus became

the determination of the Commission pursuant to 19 CFR 210.42(h)(3). In response to a concern raised by the IA and the ALJ regarding activities prohibited by the consent order, the Commission notes that any enforcement of the consent order would be limited to products within the scope of the investigation.

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and Commission rule 210.42, 19 CFR 210.42.

Issued: December 3, 1999.

By order of the Commission.

Donna R. Koehnke,

Secretary.

BILLING CODE 7020-02-P

DEPARTMENT OF LABOR

Employment Standards Administration Wage and Hour Division

Minimum Wages for Federal and Federally Assisted Construction; General Wage Determination Decisions

General wage determination decisions of the Secretary of Labor are issued in accordance with applicable law and are based on the information obtained by the Department of Labor from its study of local wage conditions and data made available from other sources. They specify the basic hourly wage rates and fringe benefits which are determined to be prevailing for the described classes of laborers and mechanics employed on construction projects of a similar character and in the localities specified therein.

The determinations in these decisions of prevailing rates and fringe benefits have been made in accordance with 29 CFR Part 1, by authority of the Secretary of Labor pursuant to the provisions of the Davis-Bacon Act of March 3, 1931, as amended (46 Stat. 1494, as amended, 40 U.S.C. 276a) and of other Federal statutes referred to in 29 CFR Part 1, Appendix, as well as such additional statutes as may from time to time be enacted containing provisions for the payment of wages determined to be prevailing by the Secretary of Labor in accordance with Davis-Bacon Act. The prevailing rates and fringe benefits determined in these decisions shall, in accordance with the provisions of the foregoing statutes, constitute the minimum wages payable on Federal and federally assisted construction projects to laborers and mechanics of the specified classes engaged on contract
